The big snake that got away from the showman on Dry Fork, a couple of weeks ago, was seen in the southern part of Crawford county, near old Dillard, one day

last week. The reptile weighed 180 pounds, 16 foot long and was of a yellowish spotted color. It passed through a cornfield on Huzzah and left a track that looked like the farmer had been dragging house logs through the field. While on exhibition the showman kept the snake under the influence of morphia, but since being at liberty no doubt its large proportions make it dangerous. Being of such huge proportions make its speed quite slow.

Thos. P. Fitz and wife and Jas. Lovelace, Sr., and wife attended the Wayne County Association last week at Lebanon Church, five miles east of Piedmont on the Patterson road. There were over one thousand people there Sunday. Lebanon Baptist church has more than 200 members. It was a great pleasure to meet such a crowd of Christian men and women. It did my very soul good to hear them sing that good old song, "Stand up, Stand up for Jesus," and they meant every word they said. Rev. Rubottom, our former pastor, who is leaving for Texas, with his family, had them all stand up in line, and shook hands with every one of them. A Cure for Rheumatism.

Each recurring attack of rheumatism makes the disease harder to control, but the fact that it is not in itself dangerous causes people to neglect it, awaiting a change or a settled condition of the weather for relief. It is often only after the disease has become so serious as to interfere with business that the sufferer will seek more than temporary relief. Chamberlain's Liniment is a remedy for rheumatism which anyone can apply. It not only gives prompt relief from pain, but in a large majority of cases it brings about permanent results. The first application will surprise and delight you as immediate relief is almost sure to follow. For sale by Arcadia Valley Drug Company.

Annapolis News.

It is nice and cool this morning, and looks much like rain.

Everything quiet.

Perry Stith was a visitor to Annapolis on business and looking after some of his old accounts, past due. He informed his creditors that he was leading a new life and had joined the sanctified church, and its members did not believe in having debts hanging over them.

There was a man from near Ellington here last week. He said he was sanctified and holy and could sin no more; he also declared it was no harm to drink a little beer, and during the day and night last Saturday he drank and drank until he could drink no more, and dead or asleep his friends did not know, so they secured a coffin and in it he went, in a good fix, and was carried to the depot, nailed up good and tight, and a wire sent for train No. 6 to stop at Annapolis and pick up a corpse and carry it to St. Louis very quick; the request, of course, was refused, and the corpse at last came to. And from town he did go about three in the morning, and is now at home in Ellington, Mo., and can sin no more.

Bertha, the beloved daughter of Alonzo Miller, on Crane Pond, died on September 12th. She was well liked by all, a smart and intelligent young lady. But when God calls us we must go. The bereaved parents have our sympathy, and may the loved one who is gone be a light for them to follow.

Southeast Missouri Holiness University.

The Fall session of the Southeast Missouri Holiness University of Des Arc, Mo., opened Tuesday, September 15th, with Rev. H. O. Vernon as President. He will be assisted in teaching by his wife, and Miss Eva Gater of Pannell, Texas. These have all had experience in teaching and want to do their best for the promotion of true education.

The following are the rates in the different departments for twelve weeks:

Primary Department . . \$5.00

Preparatory " . . . 9.00

Academy and College . . 12.00

Musie (2 hrs. per week), 10.00

We have the above rates as low as possible, and we feel that all who will avail themselves of the above will be satisfied. We are not in competition with other schools. We want, however, to do work equal to the best. Give us a trial.

Our motto is "Holiness unto the Lord." We want to make first things first and secondary things second. We believe that man is a threefold being, composed of soul, mind and body. We believe that these powers must be quickened and cleansed by God before they can be developed. Hence we stress the Word of God and the Holy Spirit as the source of true education. In other words, we want to build the whole man for God.

Friends and parents are invited to visit the school at any time and we want the prayers of all for the will of God to be done.

POSSESSED the highest type of literary genius. It is more than two centuries since he ceased to write, but when shall he cease to be read?

He grasped all things. He saw into the profoundest depths of human nature. Thoughts inimitable were at the point of his pen.

His personages live and move as if they had just come from the hand of a creator.

He was not a man of one idea, but part of the intense life of flesh and blood that seethed around him. Exuberant vitality of mind, body and soul was his supreme characteristic.

Personally he was a handsome, well-shaped man of a merry temper, abounding in energy and overflowing with health.

His favorite eating place in London was the celebrated Falcon Tavern. Here met Ben Jonson, Marlowe, Ford, Fletcher, Herrick, Raleigh, etc., met him daily.

These literary giants of the heroic Elizabethan age were in the habit of discussing the burning topics of their time (which included the colonization of America) over foaming tankards of beer.

"Wife, bid these gentlemen welcome. Come, we have a hot venison pasty to dinner; come gentlemen, I hope we shall drink down all unkindness."—Act I, Scene 3, The Merry Wives of Windsor.

SPARKLES with life. It has a brilliant glow—is full of solid nutriment—snappy and inviting to the palate—the combined soul of malt and hops—the cream of the harvest fields—the health bringing home beer.

The Brown-Marks Nuptials.

(Moberly Democrat, Sept. 9.)

This afternoon, at 2:00 o'clock, Rev. C. C. Selemann spoke the which united for life the destinies of two of the finest young people in Moberly. The high contracting parties were Mr. John F. Brown and Miss Ada Belle Marks. The ceremony was at the home of the bride's parents, Mr. and Mrs. George Marks, of West Rollins street, and was witnessed only by the family and most intimate friends of the happy couple.

The groom, who came from St. Thomas, Canada, about one year ago, is general foreman of the Wabash roundhouse. He is a fine young gentleman of unblemished reputation and exemplary habits, who has been very successful in all his undertakings and is well worthy of the charming young bride who has trusted her life's happiness to his loving care.

The bride is the only daughter of our esteemed fellow townsman, Geo. Marks. She is a beautiful young lady with a charming personality and many accomplishments which will preside with dignity over the new home.
